Where it all began

The Line Dance Foundation (LDF) was founded in 2007 by Betty Drummond of Linedancer Magazine. Its purpose is to support people involved with Line dance who face difficult times through illness, accident or other distressing circumstances which affects their ability to earn their living.

Who benefits?

The LDF helps anyone involved in Line dance on a profession or semi professional basis be that part-time or full time, anywhere in the world and in any capacity.

Details of the grants to beneficiaries are kept confidential unless the beneficiaries themselves choose to make it known that they have received help. Disclosure will never come from the LDF.

How to nominate

If you know someone who needs LDF help, then making an application is easy. Simply visit <http://www.linedancefoundation.com/grantapplication.asp> to get a Grant Application underway.
